Charity Update - Tuesday 24th March 2020

Greenshoots and our Workshop (Unit 26), will temporarily close from today, following the updated instructions from the Government yesterday evening that all non-essential services must close their doors.

We have kept the Charity operating for as long as we could and the last seven trainees left us yesterday, to return to their homes to be looked after by their family, friends and carers. We look forward to welcoming back everyone once this pandemic is over.

Thank you to all our volunteers - we have spoken to many of you personally and we look forward to seeing you again when we are through this difficult time.

All Workshop contract work has been suspended and many grateful thanks to all our customers for your business, and we look forward to fulfilling your work requirements later in the year.

All emails are being answered; if you phone and there is no answer, please leave a message, which includes your best contact number. We will keep our Facebook pages updated. Our contact numbers are:

A huge thank you to everyone for your continued loyalty and support during the last few weeks. Yours calls and emails have been very much appreciated.

Please keep safe, look after each other, especially those most vulnerable in our communities.

With warm good wishes from everyone at,
