

# Help Us Improve Access to Adult Social Care in Reading

Have your say ● Share your experience ● Help shape future services

Reading Borough Council is developing a new Adult Social Care Strategy. We want to hear from residents, carers and community organisations about how easy (or difficult) it is to find information and access support.

One of the key priorities in the strategy is **Accessibility of Information and Services**.

## Consultation Details

 **Date:**  
18 May 2026

 **Time:**  
13:30 - 16:30

 **Location:**  
Council Chamber  
Reading Borough Council  
Civic Offices  
Bridge Street  
Reading  
RG1 2LU

### What is the consultation about?

We want to understand people's general experiences of accessing Adult Social Care, including:

- How people find information or advice
- Where people go for help
- What feels clear and helpful
- What feels confusing or difficult

### Why take part?

What you share will help the council:

- Better understand how access feels for different people
- Identify what works well and what could work better
- Shape future improvements to information and services

### Who can attend?

- Residents and carers
- Community and voluntary organisations
- Partner organisations
- Adult Social Care staff

No special knowledge is needed, just your experience and views.

## Interested?
